

Meet Fred Funk

Mr. Funk holds a B.S. in Industrial Engineering and Operations Research from the Virginia Polytechnic and State University as well as a M.B.A. from the University of Maryland. Mr. Funk is a proven entrepreneur, skilled at building technology businesses in areas such as wireless data, enterprise software, and professional services. He was a co-founder of The KEYW Holding Corporation and also served as its Vice President. Mr. Funk was responsible for all of KEYW's Merger and Acquisition (M&A) activity, including initial and "B" round of financing. Prior to KEYW, Mr. Funk served as Vice President of Corporate Development at Essex Corp. and was responsible for all M&A activities. Mr. Funk served as Vice President for Systems Alliance, where he was responsible for all sales, product development, and professional services activities. He has also held executive positions at Aether Systems Inc., Caliber Learning Network, and served on the boards of several privately held companies.
