

Meet John Skordas

Mr. Skordas holds a B.A. in Computer Science from Towson University and an M.S. in Computer Science from the Johns Hopkins University. Mr. Skordas has over 30 years of engineering and technical expertise and over 25 years in technical, program and business leadership positions. Mr. Skordas has spent the last 16 years working as part of small business companies or private equity aggregated companies in support of leading edge Intelligence Community efforts. Mr. Skordas is currently the Founder and Managing Partner of eureka strategic consulting, a Discovery analysis, Mission Analytics and Strategic Leadership consulting company. As part of the Strategic Leadership consulting, Mr. Skordas successfully guides small businesses through the development of their strategic positioning, business growth and preparations for their business transition. Prior to that, Mr. Skordas was a partner in White Cliffs Consulting and led their successful integration into Novetta. Mr. Skordas has been a leader for the last 20 years in the Discovery, Intelligence analysis and Mission analytics support provided by Industry to the Intelligence Community.
