Old Line Capital Invests in Privva *Press release*

Columbia, Md., February 5, 2020 – Old Line Capital Partners (www.oldlinecap.com) announced today that they have made a significant investment in Privva (www.privva.com) to expand the development and marketing of their industry-leading risk management framework.

“Privva is the right company, with the right product, at the right time” stated John Schviebinz, Old Line Capital’s Managing Partner. “Now more than ever, companies in every industry need to understand, manage, and retire their risks and ensure compliance. We are excited to be a partner and provide the capital needed to continue their rapid customer expansion and market growth”.

“When we first heard about Old Line Capital Partners, we knew this was the type of investment partner we needed” stated Ishan Girdhar, Privva Founder and CEO. “The Old Line team understands the problem the Privva platform solves and the potential to dramatically impact the way in which companies approach the full spectrum of risks they face. We are so pleased to not only have access to the capital Old Line provides but also their expertise in the technology and markets we serve.”

About Privva

Privva is an award-winning, cloud-based vendor risk assessment platform delivering value for a diverse customer base across industries including legal, financial services, technology, healthcare, education, and media. Privva’s flexible Web platform streamlines the assessment process from authoring to automatic recurring delivery. Developed with a philosophy that risk is contextual, Privva delivers a tailored approach to assessing risk with an intuitive user interface driving a responsive user experience. Privva’s Vendor Security Assessment centralizes security questionnaires, risk ratings and scoring of responses for third parties that have access to enterprise networks or sensitive data. Privva’s workflow and templates reduce vendor assessment time by up to 75% and annual recertification can be automated.
